3. The Firm may have performed services in the past, may currently perform services, and may perform services in the future in matters unrelated to these chapter 11 cases for persons that are parties in interest in the Debtors’ chapter 11 cases. The Firm, however, does not perform services for any such person in connection with these chapter 11 cases, or have any relationship with any such person, their attorneys, or accountants that would be adverse to the Debtors or their estates.

5. Neither I nor any principal, partner, director, or officer, of, or professional employed by, the Firm has agreed to share or will share any portion of the compensation to be received from the Debtors with any other person other than the principal and regular employees of the Firm.

6. Neither I nor any principal, partner, director, or officer, of, or professional employed by, the Firm, insofar as I have been able to ascertain, holds or represents any interest adverse to the Debtors or their estates with respect to the matter(s) upon which the Firm is to be employed.

7. The arrangements for compensation and reimbursement of the Firm include the following:

b. Estimated average monthly compensation: US\$40,000

8. As of the date on which the Debtors commenced these chapter 11 cases (the “Petition Date”), the Debtors did not owe the Firm any compensation for prepetition services,

the payment of which is subject to limitations contained in title 11 of the United States Code, 11 U.S.C. §§ 101–1532.

9. As of the Petition Date, the Firm was not a party to an agreement for indemnification with certain of the Debtors.

10. The Firm is conducting further inquiries regarding its retention by any creditors of the Debtors, and upon conclusion of that inquiry, or at any time during the period of its employment, if the Firm should discover any facts bearing on the matters described herein, the Firm will supplement the information contained in this Declaration.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.
